Great instructor. Easy to listen to and understand. His method asking questions row by row worked well and kept me involved. Use of video also helped my learning

You could tell he was very passionate about this subject of art and he was always prepared to teach us. I learned a lot from him and he would encourage us to analyze pieces of art and talk with others around us when discussing works.

Trent has clearly a great understanding of the material and also knows how to effectively command and hold interest in a room-even among people who may not care about art (me). He organized lectures really well and made the class interesting during this late class. He used the right amount of pieces to show and provided other sources like music or videos to introduce the subject. I really enjoyed his teaching.

Knowledge lecturer, well-organized class. His lectures were fun to listen to, and the material was interesting. I liked his use of media and videos when talking about some artists. I loved the essay format for exams- it allowed us to demonstrate our knowledge in a better way than a simple multiple choice exam. I know grading essays probably takes more time, but I appreciate that time taken by the instructor. I only have one minor complaint: I wish the slides had more words on them sometimes to better capture certain ideas.

The bullet quizzes and class discussions were very helpful

Loved taking this class and learning more about art history. Trent did a great job teaching the subject and I learned a lot from the class!

Really liked Trent. He has a great sense of humor.

Great instructor. Always there when you need him. Replies quickly to emails.

I thought his humor and anecdotes really enhanced the class. The more I felt connected with him, the better I paid attention .
